

Dear Parent(s),

We have recently implemented a new school notification system called Power Announcement. This notification system is loaded with new features that will make it easier for us to keep in contact with your family. To guarantee the messaging system is used efficiently, we will need to confirm your contact information is accurate and up-to-date at all times.

Power Announcement allows our school to send messages using email, voice, and text messaging. Voice calls will be sent with 317-861-4463 as the caller ID number. You may want to add this phone number to your address book to help you recognize incoming calls from the school easily. Text messages will be sent using a caller ID of 77811. You may want to add this phone number to your address book as well. Please note you will not be able to reply to text messages sent from the school.

Power Announcement is integrated with the existing PowerSchool Parent Portal. If you log-on to the Parent Portal you will now see a new link called "Power Announcement". You will be able to see all the contact information our school has listed for you. Within this section of the Parent Portal, you will also be able to choose your communication preferences based on message category, such as School Closures or Student Bulletins, and message type (email, voice and/or text message). You may opt-out of any message category except for Emergency Messages.
